**Subject:** slides for SERMACS  
**Attachments:** Strynar SERMACS 2016 presentation.pptx

Myriam,

Find attached my slides for SERMACS next week. It essence it is a retelling of the PFECAs effort of the paper we published in 2015 on the Cape Fear river and some new data from Seth paper that was just cleared for submission.

Likely I will cut a few slides before I give this talk as some may not be needed for this audience.

Thanks,  
Mark
